

BRITTNIE SEXTON

GAME PROGRAMMER

EDUCATION

Academy of Interactive Entertainment Associates of Occupational Studies in Game Programming 2023	Aug. 2021 to Aug. 2023
Arkansas Tech University Bachelors in Electrical Engineering with Computer Engineering Option 2020	Aug. 2018 to May 2020
National Park College Associate's of Science with Engineering Option 2016	Aug. 2014 to May 2016

PROJECTS

Hamburger Hell At the Academy of Interactive Entertainment, I designed and programmed Hamburger Hell with a team of other programmers and artists. This is a first-person horde shooter where you play as a chef and fight through waves of rebellious hamburgers.	Feb. 2023 to June 2023
Helheim Pinball At the Academy of Interactive Entertainment, I designed and programmed a Helheim-themed pinball game with two other programmers and three artists.	Apr. 2022 to June 2022
Click-n-Roll This was a game I made in Unity to learn how to make a cross-platform game. The game can be played on any phone or PC.	Apr. 2022 to Apr. 2022
Party Palace At Arkansas Tech University, I designed and created a video game with classmates where the player must escape Party Palace.	Apr. 2020 to May 2020
Design of an Automatic Pet Feeder For my senior design project at Arkansas Tech University, I worked with two electrical engineering students and a mechanical engineering student to build an automatic pet feeder.	Aug. 2018 to May 2020

EMPLOYMENT

Chili's Bar and Grill Bartender/Server/To-Go/QA Make refreshing margaritas for guests. Held every front of house position and trained other team members.	Lafayette, LA Apr. 2017 to Current
CHI St. Vincent Hospital Admitting Representative Registered patients on intake in the ER.	Hot Springs, AR Nov. 2014 to Apr. 2017
